

### Special Notes

1. Charles E. Young Drive will be a commonly used arena boundary. With the exception of sector 3, the street itself is out of bounds.
2. Just North of Schoenberg Hall, there is a crosswalk on Charles E. Young Drive. Any part of the street North of this crosswalk is in-bounds.
3. The Northmost path in the mess of paths at the end of Bruin Walk, up until it intersects with the path that runs parallel to Powell, marks the edge of the Arena
4. The edge of the Arena is marked by the middle portion of the forked path. This boundary extends until it hits MS.
5. The “bridge” between the 5th floor MS buildings is in-bounds.
6. The edge of the Arena is marked by the path and stairs that go towards the parking structure.
7. This is the patio area outside of Rolfe, where they have a few parking spots.
8. This is the paved ramp that goes down towards the parking structure near Rolfe. It is out of bounds.
9. Arrows point towards the bridges leading to parking structure 5. They are out of bounds.
10. The Sector 5-6 boundary is marked by the edge of Bunche. Use your best judgment.
11. The edge of the Arena is marked by the start of concrete ledge over the parking structure entrance. Use your best judgment.
12. The Arena boundary is marked by the start of Public Affairs. Use your best judgment.
13. Arrows point to the streets. These streets are a part of sector 3.
14. The Sector 5-6 boundary will be marked by the path between Bunche, Campbell, Rolfe, and Northern Lights. Use your best judgment.
15. Dead Zones: These zones are in bounds, but will contain no resources.
